**MONUMENT JUNCTION METROPOLITAN DISTRICT NO. 1
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Monument Junction Metropolitan District No. 1 (“the District”), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for El Paso County, Colorado on August 2, 2021, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Town of Monument on August 2, 2021.

The District was organized to provide for the finance, design, construct, acquire, install of Public Improvements and related operation and maintenance services. The District is organized in conjunction with one other related financing district – Monument Junction Metropolitan District No. 2. The District serves as the Operating District which will pay all vendors of and receive reimbursement/contributions from the Financing Districts. The Financing Districts which will levy ad valorem taxes on taxable properties within each District and assess fees, rates and other charges as authorized by law. The District's service area is located entirely within the Town of Monument, El Paso County, Colorado.

Pursuant to the Service Plan approved by the Town, the District is permitted to issue bond indebtedness of up to \$37,000,000. In the future, the District may issue a portion or all of the remaining authorized but unissued general obligation debt for purposes of providing public improvements to support development as it occurs within the District's service area, however, as of the date of this budget, the amount and timing of any debt issuances is not determinable.

Pursuant to the District's Service Plan approved by the Town, the maximum debt mill levy is 50 mills, and the maximum operating mill levy for the payment of administrative, operations and maintenance expense is 10 mills.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Developer Advance

The District is in the development state. As such, the operating and administrative expenditures will be mainly funded by the developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Bond Issuance

The District issued Series 2021A bonds in 2021. See Debt and Leases significant assumptions.

**MONUMENT JUNCTION METROPOLITAN DISTRICT NO. 1
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative Expenses

Operating and administrative expenditures include the estimated services necessary to maintain the district's administrative viability such as legal, management, accounting, and insurance.

Capital Outlay

The District plans to accept the costs of eligible public improvement costs paid for by the Developer, based on costs certified by the District Accountant and Engineer. The budgeted amounts are based on the estimate of those costs.

Debt and Leases

General Obligation Limited Tax Bonds, Series 2021A(3) (the Bonds)

Bond Proceeds

The District issued the Bonds on December 14, 2021, in the par amount of \$12,258,000. Proceeds from the sale of the Bonds were used for the purposes of (i) financing or reimbursing a portion of the costs of designing, acquiring, constructing, relocating, installing, completing, and providing certain public infrastructure improvements relating to the Development; and (ii) paying costs of issuance of the Bonds.

Pledge Agreement

The District, Monument Junction Metropolitan District No. 2 (the "Pledge District") and the Trustee have entered into a Capital Pledge Agreement (the "Pledge Agreement") to provide ad valorem property tax revenue derived from the taxable property of the Pledge District and other revenue received and to be received by the Pledge District in order to pay, in combination with revenue of the District, the debt service on the Bonds.

Details of the Bonds

The Bonds bear interest at the rate of 5.750% per annum and are payable annually on December 1, beginning on December 1, 2022, but only to the extent of available Pledged Revenue. The Bonds mature on December 1, 2051 and are subject to mandatory redemption to the extent of available Pledged Revenue.

The Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the maturity date. Unpaid interest on the Bonds compounds annually on December 1. In the event any amounts due and owing on the Bonds remain outstanding on December 2, 2061, such amounts shall be deemed discharged and no longer due and outstanding.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases - Continued

Optional Redemption

The Bonds are subject to redemption prior to maturity, at the option of the District, on December 1, 2026, and on any date thereafter, upon payment of par, accrued interest, and a redemption premium equal to a percentage of the principal amount so redeemed as follows:

<u>Date of Redemption</u>	<u>Redemption Premium</u>
December 1, 2026, to November 30, 2027	3.00%
December 1, 2027, to November 30, 2028	2.00
December 1, 2028, to November 30, 2029	1.00
December 1, 2029, and thereafter	0.00

Pledged Revenue

The Bonds are secured by and payable from moneys derived by the District from the following sources: (a) the Required Mill Levy; (b) the Pledged Public Improvement Fees; (c) the Pledged Fees; (d) the portion of the Specific Ownership Tax which is collected as a result of the imposition of the Required Mill Levy; and (e) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Pledged Revenue.

Required Mill Levy

The District is required to impose an ad valorem mill levy, the Required Mill Levy, upon all taxable property of the District each year in the amount of 50 mills (subject to adjustment for changes in the ratio between market value and assessed value of taxable property with the District that would cause a reduction in the revenue otherwise produced from such maximum mill levy on or after January 1, 2021) or such lesser mill levy which is sufficient to pay all of the principal of and interest on the Bonds in full.

Pledged Public Improvement Fees

The Developer has recorded a Declaration of Covenants Imposing and Implementing the Monument Junction Public Improvement Fee ("PIF") on the PIF Property which is generally defined as the anticipated commercial development in the District. A PIF of 1% is imposed on all PIF Sales occurring within the PIF Property. Pledged PIF are the PIF Revenues received in each Bond Year up to but not exceeding the Public Improvement Fee Cap and are net of any costs of collection; provided, however, Pledged Public Improvement Fees may be used for such other legally available purposes as the District may determine without being subject to the Public Improvement Fee Cap. Public Improvement Fee Cap means, for each Bond Year, an amount equal to 50% of the scheduled debt service due on the Bonds in such Bond Year.

Pledged Fees

Pledged Fees means the moneys derived from the Pledge District Capital Revenue as imposed pursuant to the Pledge Agreement. Pledge District Capital Revenue means the moneys derived from the following sources: (1) the Mandatory Capital Levy; and (2) the portion of the Specific Ownership Tax which is collected as a result of imposition of the Mandatory Capital Levy.

**MONUMENT JUNCTION METROPOLITAN DISTRICT NO. 1
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases - Continued

The Pledge District has covenanted, for so long as the Bonds are outstanding, to cause to be levied on all of the taxable property of the Pledge District, the amount of the Mandatory Capital Levy. Mandatory Capital Levy means an ad valorem mill levy imposed on all taxable property of the Pledge District each year in the amount of 40 mills (subject to adjustment for changes in the ratio between market value and assessed value of taxable property with the Pledge District that would cause a reduction in the revenue otherwise produced from such maximum mill levy on or after January 1, 2021) or such lesser mill levy which is sufficient to pay all of the principal of and interest on the Bonds, and any Refunding Obligations thereof, in full for so long as the Bonds (or any Refunding Obligations thereof) are outstanding. The Mandatory Capital Levy is net of the collection costs of the County and any tax refunds or abatements authorized by or on behalf of the County.

Bonds Debt Service

The annual debt service requirements of the Bonds are not currently determinable since they are payable only from available Pledged Revenue.

Reserves

Emergency Reserve

The District has provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2022, as defined under TABOR.

This information is an integral part of the accompanying budget.
